tan during their summer migrations to ward off dangerous sunburns, as a Newcastle University researcher has found. It's important to take precautions to avoid sunburn, as it can cause serious health problems.

Although I've become accustomed to having insects walk all over my body, I can't stand the thought of it. I've developed a new method of preventing this occurrence.

There is no definite timetable for his return, so the Yankees acquired infielder Brendan Ryan from the Seattle Mariners on Tuesday for a player to be named.

Te lo chiedo in quanto desiderio mio, e non solo, di seguirle quando possibile.
